**Informal language
example**

Julie and her friend Nat were sitting together under a tree after having a very yummy and filling lunch. As Julie stretched, she accidentally let out a very loud burp, "Burrp"! Nat looked at her, surprised, and giggled. Embarrassed, Julie giggled back at him. Then Nat said, "That one was pretty good, but I can burp even **louder**!" Nat proceeded to let out a very *long* and **loud** burp and they both laughed very, hard for a long time.
